Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander Expander 9.16/.3606. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used in accordance with the manufacturer's instructions.
- Always inspect the Expander for damage before use. Do not use if any part is damaged.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Expander.
- Store the Expander in a dry, secure location to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended diameter specifications when using the Expander.
- Avoid using the Expander in wet or humid conditions to prevent rust and deterioration.
- Ensure that the work area is welllit and free from distractions during use.
- Always follow proper reloading practices to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Attach the Expander to the reloading die following the manufacturer's instructions.
- Tighten the Expander securely to prevent it from loosening during use.

2. Usage:

- Before starting, doublecheck that the Expander is properly installed and secure.
- Load the reloading press with the appropriate components for your project.
- Operate the reloading press slowly and steadily to ensure precise neck expansion and bullet seating.
- If you encounter resistance or difficulty during operation, stop immediately and check for any obstructions or issues.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the Expander in regular household waste. Check for local recycling programs that accept metal products.
- Ensure that all components are disposed of safely to prevent accidents or injuries.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with the Expander

Expander 9.16/.3606. Thank you for your attention to safety.
