

Expander ⌀9,17/.3610

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀9,17/.3610
- Manufacturer: TRIEBEL
- Product no.: EU2017297
- Mfr. No.: 3000050V-09.17
- Diameter mm: 9,17
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-09.17

Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling and using the Expander.
- Keep the Expander out of reach of children and unauthorized individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the Expander, including diameter and pressure limits.
- Avoid using the Expander if it is damaged or has been altered in any way.
- Ensure that the workspace is clean and free of obstructions before using the Expander.
- Use the Expander in a wellventilated area to minimize exposure to any fumes or particles generated during use.
- Follow all manufacturer instructions for the specific reloading dies being used with the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the reloading die according to the manufacturer's instructions.
- Tighten the retaining screw to secure the Expander in place.

2. Usage:

- Adjust the reloading press to the appropriate setting for the desired neck expansion.
- Place the case in the reloading die and activate the press to expand the neck.
- Monitor the process closely to ensure proper operation and avoid overexpansion.
- After use, remove the Expander from the reloading die and clean it thoroughly to prevent residue buildup.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, ensure it is recycled or disposed of in a safe manner.

Contact Information for Further Support

For any safety inquiries or support regarding the Expander, please contact the manufacturer or your local distributor. Ensure that you have the product information and any relevant details ready for assistance.

Thank you for your attention to these safety instructions. Adhering to these guidelines will help ensure a safe

and effective experience with your Expander.
