

Expander ⌀9,20/.3622

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀9,20/.3622
- Manufacturer: TRIEBEL
- Product no.: EU2017298
- Mfr. No.: 3000050V-09.20
- Diameter mm: 9,20
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-09.20

Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides important safety instructions to ensure the safe use of your product. Please read and understand this document before using the Expander.

General Safety Guidelines

- Always use the Expander according to the manufacturer's instructions.
- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Keep the Expander out of reach of children and vulnerable individuals to prevent accidents.
- If you encounter any issues or have concerns about the product, contact the manufacturer or retailer immediately.

Specific Safety Precautions for Use

- Do not exceed the recommended diameter of 9.20 mm when using the Expander.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Expander.
- Ensure that your workspace is clean and free from any obstructions before using the Expander.
- Avoid using the Expander in wet or damp conditions to prevent slips and falls.
- Do not modify the Expander in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading die is securely mounted in your reloading press.
- Insert the Expander into the die, ensuring a snug fit.
- Tighten any locking mechanisms or set screws to secure the Expander in place.

2. Usage

- Prepare your cases according to the reloading process.
- Operate the reloading press slowly and steadily while using the Expander.
- Monitor the expansion process closely to ensure proper neck expansion and bullet seating.
- Once the process is complete, carefully remove the Expander from the die.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal recycling.
- Do not throw the Expander in regular household waste.
- If the Expander is damaged or no longer usable, consider contacting a recycling facility for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for support.

By following these safety instructions, you can ensure a safe and effective experience with your Expander.
Thank you for your attention to safety!
