Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, suitable for original reloading dies from Triebel Waffenwerkzeuge. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Follow all local regulations concerning the use and handling of reloading equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the Expander.
- Ensure that your working area is clean, welllit, and free from distractions.
- Do not exceed the recommended specifications for the Expander.
- Avoid using the Expander if you are under the influence of drugs or alcohol.
- Handle the Expander carefully to prevent injury from sharp edges or moving parts.
- Use the Expander only with compatible reloading dies to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Remove the existing die from the reloading press.
- Insert the Expander into the die slot, ensuring it is securely fitted.
- Reattach the die to the reloading press, making sure it is tightened properly.

2. Usage:

- Set the reloading press to the appropriate settings as per the manufacturer's instructions.
- Place the case into the reloading press and align it with the Expander.
- Operate the reloading press slowly to ensure precise neck expansion.
- After use, remove the case and inspect it for proper expansion.
- Clean the Expander after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Expander in accordance with local waste disposal regulations.
- Do not throw the Expander in regular household waste; check for recycling options.
- If the Expander is damaged beyond use, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's website or customer

support resources.

Thank you for your attention to these safety guidelines. Your safety is our priority.
