

Expander ⌀9,26/.3646

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀9,26/.3646
- Manufacturer: TRIEBEL
- Product no.: EU2017302
- Mfr. No.: 3000050V-09.26
- Diameter mm: 9,26
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-09.26

Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides important safety instructions to ensure the safe use of the product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Always ensure that the Expander is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that your work area is clean and welllit to prevent accidents.
- Be aware of your surroundings and ensure that no one is in the immediate area when using the Expander.

Specific Safety Precautions for Use

- **Hazard Identification:** The Expander may pose risks such as sharp edges and potential for injury if not used properly.
- **Avoiding Hazards:**
 - Do not use the Expander if you are tired or under the influence of substances that may impair your judgment.
 - Do not force the Expander beyond its intended use.
 - Ensure that the Expander is securely attached to the reloading die before use.
 - Always keep your hands and body away from the moving parts of the Expander during operation.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the reloading die is clean and free from debris.
 2. Carefully insert the Expander into the reloading die, ensuring it fits securely.
 3. Tighten the reloading die according to the manufacturer's specifications to ensure a secure fit.
- **Usage:**
 1. Prepare the casing to be expanded and place it in the reloading die.
 2. Operate the reloading press slowly and steadily to expand the neck of the casing.
 3. After use, remove the casing and inspect it for proper expansion.
 4. Clean the Expander after each use to maintain its performance.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal products.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, contact your local recycling center for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these safety instructions, you can help ensure your safety and the effective use of the Expander. Thank you for your attention to these important guidelines.
