Expander Safety Instructions

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, suitable for original reloading dies from Triebel Waffenwerkzeuge. To ensure safe and effective use of the Expander, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always handle tools and equipment with care to prevent accidents.
- Keep the Expander and all related tools out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that the work area is clean, dry, and welllit to prevent slips and accidents.
- Do not exceed the recommended specifications for the Expander, including the diameter of 9.27 mm.
- Avoid using the Expander with incompatible or damaged reloading dies.
- If you experience any difficulties while using the Expander, stop immediately and consult the product manual or seek professional assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the die, ensuring it is properly aligned and seated.
- Tighten any locking mechanisms to secure the Expander in place.

2. Usage:

- Prepare your brass cases as per standard reloading procedures.
- Slowly operate the reloading press to expand the neck of the case using the Expander.
- Monitor the process closely to ensure that the neck expansion is uniform and within specifications.
- After use, carefully remove the Expander from the die and clean it if necessary.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, consider recycling it at a designated facility.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Expander, please reach out to the appropriate EUbased contact point or consult the product's official website for more information.

By following these safety instructions, you can ensure a safe and effective experience with your Expander.

Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
