Expander Safety Instructions

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, suitable for use with original reloading dies from Triebel Waffenwerkzeuge. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the Expander with care to avoid injury.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that the work area is clean and free from distractions.
- Do not use the Expander if you are tired or under the influence of substances that may impair your judgment.
- Only use the Expander with compatible reloading dies as specified by the manufacturer.
- Avoid using excessive force when operating the Expander to prevent damage or injury.
- Do not attempt to modify or alter the Expander in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is securely mounted in a stable position.
- Insert the Expander into the reloading die according to the manufacturer's instructions.
- Check that the Expander is properly seated and aligned before use.

2. Usage:

- Adjust the Expander to the desired diameter setting (9.30 mm).
- Place the cartridge neck in the Expander and apply steady pressure to expand the neck.
- Ensure that the bullet is seated correctly in the cartridge neck after expansion.
- Remove the Expander from the die carefully after use.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged or no longer usable, ensure it is recycled or disposed of in a safe manner.

Contact Information for Further Support

For any inquiries regarding the Expander or for safety concerns, please refer to the manufacturer's contact

information provided with the product packaging.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
