

Expander ⌀9,37/.3689

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀9,37/.3689
- Manufacturer: TRIEBEL
- Product no.: EU2017305
- Mfr. No.: 3000050V-09.37
- Diameter mm: 9,37
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-09.37

Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander, designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand these safety instructions before using the Expander.
- Ensure the Expander is used only for its intended purpose as specified.
- Keep this guide accessible for future reference.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety goggles and gloves when handling the Expander.
- Ensure the work area is clean, dry, and welllit to prevent accidents.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander for any signs of damage or wear before use. Do not use if damaged.
- Avoid using the Expander with incompatible reloading dies or materials.
- Follow all manufacturer guidelines for compatible products to avoid malfunction.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is securely mounted in the reloading press.
- Insert the Expander into the reloading die, ensuring it fits snugly.
- Tighten any locking mechanisms to prevent movement during use.

2. Usage:

- Adjust the Expander according to the specifications of the bullet and casing being used.
- Operate the reloading press smoothly to avoid sudden movements that could cause injury.
- Monitor the process closely to ensure proper neck expansion and bullet seating.
- After use, remove the Expander and clean it to maintain its precision and longevity.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that the product is disposed of safely to prevent any potential hazards to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Proper use and care of the Expander will ensure a safe

and effective reloading experience.
