Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander manufactured by TRIEBEL. This guide provides important safety information and instructions to ensure safe usage of the product. Please read this guide carefully before using the Expander.

General Safety Guidelines

- Ensure that you are familiar with the product and its intended use prior to handling it.
- Always wear appropriate personal protective equipment (PPE) when using the Expander, including safety glasses and gloves.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use. Do not use if damaged.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Only use the Expander with original reloading dies from Triebel Waffenwerkzeuge to ensure compatibility and safety.
- Avoid using excessive force when operating the Expander to prevent injury or damage to the product.
- Do not modify the Expander in any way, as this may compromise safety and functionality.
- Ensure that the work area is clean, organized, and free from hazards to minimize the risk of accidents.
- Be aware of your surroundings and avoid distractions while using the Expander.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that the reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Secure the reloading die in your reloading press according to the manufacturer's instructions.

2. Usage:

- Set the reloading press to the appropriate settings based on the type of bullet and casing you are using.
- Place the casing into the reloading press and operate the press to expand the neck of the casing using the Expander.
- Check the neck expansion for consistency and ensure proper bullet seating.
- After use, clean the Expander and store it in a safe place.

Disposal Instructions

- Dispose of the Expander in accordance with local waste disposal regulations.
- Do not dispose of the Expander in regular household waste if it is damaged or no longer usable.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Expander, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Expander. Always prioritize safety and consult this guide whenever you have questions about the product's use. Thank you for choosing TRIEBEL.
