Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating during reloading. This guide provides important safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose as described in the product specifications.
- Always inspect the Expander for any signs of damage or wear before each use.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating the tool.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Do not exceed the recommended diameter specifications of 9.50 mm when using the Expander with your reloading dies.
- Avoid using the Expander if it has been modified or repaired in any way that is not authorized by the manufacturer.
- Ensure that the workspace is clean and free from distractions to maintain focus while using the Expander.
- Never place your hands or any body part near the Expander while it is in operation.
- If you experience any unusual noise or resistance while using the Expander, stop immediately and investigate the cause.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Expander.
- Securely attach the Expander to the reloading die according to the manufacturer's instructions.
- Check that the Expander is firmly in place before proceeding.

2. Usage:

- Set up your reloading station in a wellventilated area.
- Load the reloading die with the appropriate materials as per your reloading guidelines.
- Operate the Expander at a steady pace, applying consistent pressure for even neck expansion.
- After use, remove the Expander from the die and clean it to prevent residue buildup.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal and industrial waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, contact your local recycling center for proper disposal options.

Contact Information for Further Support

For any safety inquiries or to report unsafe products, please refer to your local EU contact point or visit the EU Safety Gate platform for updates and information.

By following these guidelines, you can ensure the safe and effective use of the Expander. Thank you for your attention to safety!
