

Expander ⌀9,52/.3748

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀9,52/.3748
- Manufacturer: TRIEBEL
- Product no.: EU2017309
- Mfr. No.: 3000050V-09.52
- Diameter mm: 9,52
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-09.52

Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander (inside expander) made from highquality hardened steel. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the Expander to understand the necessary precautions and instructions.

General Safety Guidelines

- Ensure the Expander is used in accordance with the manufacturer's guidelines.
- Store the Expander in a dry and secure location, away from children and vulnerable individuals.
- Always inspect the Expander for any signs of damage or wear before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Follow all relevant local laws and regulations regarding the use of reloading equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the Expander, ensure that your reloading die is compatible with the product.
- Do not exceed the recommended pressure limits when using the Expander.
- Keep hands and other body parts clear of moving parts during operation.
- Avoid using the Expander in wet or damp conditions to prevent slipping or electrical hazards.
- Never attempt to modify or alter the Expander in any way.
- If you experience any unusual noises or vibrations during use, stop immediately and inspect the Expander for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Secure the Expander in place according to the manufacturer's instructions.

2. Usage:

- Set the reloading press to the appropriate settings for your specific application.
- Load the necessary components according to your reloading plan.
- Operate the reloading press smoothly and steadily, avoiding sudden movements.
- After use, carefully remove the Expander from the reloading die and clean it to prevent corrosion.

Disposal Instructions

- Dispose of any damaged or wornout Expanders in accordance with local waste disposal regulations.
- Do not dispose of the Expander in regular household waste. Instead, take it to a designated recycling or hazardous waste facility.
- Ensure that the Expander is completely decommissioned before disposal to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the Expander, please refer to the manufacturer's contact information

provided with the product packaging. It is important to reach out to the manufacturer for guidance on safety or product-related questions.

Thank you for your attention to these safety instructions. Your safety is our priority, and following these guidelines will help ensure a safe and effective experience with the Expander.
