Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always follow the manufacturer's instructions for safe operation.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Expander before each use to ensure it is in good condition.
- Report any unsafe conditions or product failures to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Do not exceed the specified diameter of 10.36 mm when using the Expander.
- Always work in a wellventilated area to avoid inhaling any dust or particles generated during use.
- Avoid using the Expander if you are tired or under the influence of substances that may impair your judgment.
- Ensure that the work area is clear of any obstructions to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that the reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die, ensuring it fits securely.
- Tighten any locking mechanisms to prevent movement during use.

2. Usage:

- Position the reloading die securely in your reloading press.
- Adjust the settings of the press according to the manufacturer's guidelines.
- Slowly and steadily operate the press to expand the neck of the cartridge case.
- After use, remove the Expander from the die and clean it to maintain its condition.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste.
- If the product is damaged or no longer usable, contact local waste management for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's official website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the Expander.

Always prioritize safety and remain informed about best practices for using this product.
