

Expander ⌀10,40/.4094

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀10,40/.4094
- Manufacturer: TRIEBEL
- Product no.: EU2017315
- Mfr. No.: 3000050V-10.40
- Diameter mm: 10,40
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-10.40

Expander Safety Instructions

Introduction

Thank you for choosing the Expander. This guide provides important safety instructions to ensure the safe use of the product. Please read this document carefully before using the Expander to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Always ensure that the Expander is used in accordance with the manufacturer's instructions.
- Store the Expander in a dry and safe place, away from children and pets.
- Inspect the Expander for any damage before each use. Do not use if damaged.
- Ensure that you are wearing appropriate personal protective equipment (PPE) such as safety glasses and gloves during use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Sharp edges: The Expander may have sharp edges that can cause cuts.
- High pressure: When used with reloading dies, high pressures may be generated.

- **Avoiding Hazards:**

- Always handle the Expander with care to avoid cuts and injuries.
- Do not exceed the recommended specifications during use.
- Ensure proper ventilation if using in enclosed spaces to avoid inhalation of any dust or particles.
- Keep hands and other body parts away from moving parts during operation.

- **Age Restrictions:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading die is securely mounted in a stable work surface.
2. Insert the Expander into the reloading die as per the manufacturer's guidelines.
3. Tighten any securing screws to ensure that the Expander is held firmly in place.

- **Usage:**

1. Before starting, ensure that all safety equipment is worn.
2. Check that the reloading die is correctly set up and adjusted.
3. Begin the neck expansion process slowly, monitoring the operation for any irregularities.
4. After each use, clean the Expander to remove any residue or debris.

Disposal Instructions

- Dispose of the Expander responsibly. Do not throw it in general waste.
- If the Expander is damaged or no longer usable, consider recycling if possible.

- Check local regulations for proper disposal methods for metal products.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact points.
