Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander. This guide provides essential safety instructions to ensure the safe use of your product. The Expander is designed for precise neck expansion and optimal bullet seating, made from highquality hardened steel and precisionground on CNC machines. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the Expander is used only for its intended purpose as outlined in this guide.
- Always inspect the Expander for any signs of damage before use. Do not use if damaged.
- Keep the Expander out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding reloading and ammunition.
- Report any unsafe conditions or accidents involving the Expander to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Use the Expander only with original reloading dies from Triebel Waffenwerkzeuge to avoid compatibility issues.
- Do not exceed the recommended diameter of 10.43 mm when using the Expander.
- Always follow the manufacturer's instructions for the reloading process to ensure safety and accuracy.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Carefully remove the existing mandrel from the reloading die.
- Insert the Expander into the die, ensuring it is securely seated.
- Tighten the die according to the manufacturer's specifications to secure the Expander.

2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Adjust the Expander to the correct position for neck expansion.
- Place the cartridge case in the reloading press and activate the press to expand the neck.
- Monitor the process to ensure that the Expander is functioning correctly.
- After use, carefully remove the Expander from the die and store it in a safe place.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not throw the Expander in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling it at a designated metal recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the Expander. Thank you for your attention to safety and for choosing our product.
