Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions and guidelines to ensure the safe use of the Expander. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose as described in this guide.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Keep the Expander out of reach of children and unauthorized users.
- Do not use the Expander if it appears damaged or worn. Inspect the tool before each use.
- Be aware of your surroundings and ensure a safe working environment when using the Expander.

Specific Safety Precautions for Use

- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the working area is welllit and free from clutter to prevent accidents.
- Always secure the workpiece properly before using the Expander to avoid unexpected movement.
- Avoid wearing loose clothing or jewelry that could get caught in moving parts while using the Expander.
- Do not exceed the recommended diameter of 10.44 mm when using the Expander to prevent damage or injury.
- If you experience any discomfort or unusual sensations while using the Expander, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Tighten the die securely according to the manufacturer's specifications to prevent movement during use.

2. Usage:

- Adjust the Expander to the desired depth for neck expansion.
- Begin the reloading process by following the specific instructions for your reloading equipment.
- Maintain a steady and controlled pace while using the Expander to ensure consistent results.
- After use, carefully remove the Expander from the die and clean it to maintain its performance.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- Consider recycling the Expander if possible to reduce environmental impact.

Contact Information for Further Support

For any inquiries regarding the safety of the Expander or to report unsafe products, please refer to the

appropriate EU contact point or safety authority.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
