Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality product designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure the safe and effective use of the Expander. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is neck expansion and bullet seating in reloading applications.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Expander.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander before each use for any signs of damage or wear. Do not use if damaged.
- Store the Expander in a safe, dry place when not in use to prevent accidents and damage.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for your reloading die to ensure compatibility with the Expander.
- Use the Expander only with original reloading dies from Triebel Waffenwerkzeuge to avoid compatibility issues.
- Avoid excessive force when using the Expander to prevent damage to the product and ensure safe operation.
- Do not modify the Expander in any way, as this may lead to unsafe conditions.
- Ensure that the workspace is clean and free from clutter to minimize the risk of accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including your reloading die and the Expander.
- Ensure that your workspace is welllit and organized.

2. Installation:

- Follow the specific instructions provided with your reloading die for installing the Expander.
- Securely attach the Expander to the reloading die, ensuring it is properly aligned.

3. Usage:

- Load the reloading die according to the manufacturer's instructions.
- Carefully operate the reloading press, applying even pressure to the Expander.
- Monitor the process to ensure proper neck expansion and bullet seating.
- After use, remove the Expander from the reloading die and clean it according to the care instructions.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal products.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, consider recycling it to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Expander, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you have any concerns about the safe use of this product.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Expander. Always prioritize safety and be aware of your surroundings while using this product. Thank you for your attention to these guidelines, and happy reloading!
