Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety information to ensure the safe use of the Expander in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the Expander is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Expander for any damage before each use. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the Expander.
- Ensure that the workspace is clean, dry, and welllit.
- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended specifications for diameter and usage.
- Avoid using the Expander in wet or humid conditions to prevent slips and accidents.
- Do not modify the Expander in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

• Installation:

1. Ensure that your work area is clean and wellorganized.
2. Verify that the reloading die you are using is compatible with the Expander.
3. Insert the Expander into the reloading die securely.
4. Tighten any necessary screws or clamps to ensure a stable setup.

• Usage:

1. Prepare your workspace by gathering all necessary tools and materials.
2. Place the case you wish to expand in the reloading die.
3. Slowly and carefully operate the reloading press to expand the neck of the case using the Expander.
4. Monitor the process closely to ensure proper expansion and bullet seating.
5. Once finished, carefully remove the case from the die and inspect it for proper expansion.

Disposal Instructions

- Dispose of the Expander responsibly at a designated waste disposal facility.
- Follow local regulations regarding the disposal of metal products.
- Do not dispose of the Expander in household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the manufacturer or your local distributor. Always ensure that you have the product details at hand for efficient assistance.

By following these guidelines, you can ensure a safe and effective experience with the Expander. Thank you for your attention to safety and responsible usage.
