Expander Safety Instructions

Introduction

Thank you for choosing the Expander. This product is designed for precise neck expansion and optimal bullet seating, made from highquality hardened steel and precisionground on CNC machines. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the Expander by following all provided instructions.
- Always inspect the product for any visible damage before use. Do not use the Expander if it appears damaged or defective.
- Keep the product out of reach of children and vulnerable individuals.
- Use the Expander only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Do not exceed the recommended specifications for the Expander, including diameter and material compatibility.
- Avoid using the Expander in wet or damp conditions to prevent slips and falls.
- If you are unsure about any aspect of using the Expander, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Expander.
- Securely attach the Expander to the reloading die, following the manufacturer's instructions for your specific die model.
- Doublecheck that the Expander is firmly in place before proceeding.

2. Usage:

- Begin by preparing your brass cases according to standard reloading practices.
- Insert the brass case into the reloading die with the Expander attached.
- Operate the press slowly and steadily to ensure that the neck expansion is uniform and precise.
- After use, carefully remove the Expander and clean it according to the maintenance instructions provided.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal products.
- Do not dispose of the product in general waste. Check for recycling options in your area.
- If the Expander is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please reach out to the designated EU contact point for safety inquiries. Ensure to keep your purchase information and any relevant documentation handy for reference.

By following these safety instructions, you can ensure a safe and effective experience with your Expander. Thank you for your attention to these guidelines.
