Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander manufactured by TRIEBEL. This guide provides essential safety instructions and information to ensure the safe use of the Expander. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the Expander is used only for its intended purpose, which is for neck expansion and bullet seating in reloading processes.
- Always follow the manufacturer's instructions and guidelines when using the Expander.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including safety glasses and gloves, when using the Expander.
- **Work Environment:** Ensure that the working area is clean, welllit, and free from any hazards that could cause accidents.
- **Handling:** Handle the Expander with care to avoid injury. Do not apply excessive force during use.
- **Compatibility:** Ensure the Expander is compatible with your reloading dies and equipment before use.
- **Storage:** Store the Expander in a safe and dry location when not in use to prevent damage and ensure safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure your reloading equipment is set up according to the manufacturer's specifications.

2. Installation:

- Insert the Expander into the appropriate reloading die.
- Secure the Expander firmly to prevent any movement during the reloading process.

3. Usage:

- Follow the reloading die's instructions for proper operation.
- Monitor the process closely to ensure that the Expander is functioning correctly.
- If any issues arise, stop using the Expander immediately and inspect it for damage.

4. PostUsage:

- Clean the Expander after each use to maintain its quality and performance.
- Check for any signs of wear or damage before the next use.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal and industrial waste.

- Do not dispose of the Expander in regular household waste.
- If damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For further support or inquiries about the Expander, please reach out to the designated contact point provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with the Expander. Thank you for your attention to safety, and enjoy your reloading process.
