Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure the safe and effective use of the Expander, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the Expander.
- Use the Expander only for its intended purpose as described in this guide.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Expander.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not use the Expander if you are tired, under the influence of substances, or otherwise unable to operate tools safely.
- Avoid contact with moving parts during operation to prevent injury.
- Do not exceed the recommended specifications for the Expander, including the diameter and other operational limits.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Expander.
- Carefully insert the Expander into the reloading die according to the manufacturer's instructions.
- Secure the Expander in place to prevent movement during use.

2. Usage:

- Before starting, doublecheck that the Expander is properly installed and secured.
- Follow the specific reloading procedures outlined in your reloading die manual.
- Use steady and controlled movements when operating the Expander to ensure precision.
- After use, carefully remove the Expander from the reloading die and inspect it for any damage.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling it to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please refer to the contact details provided by your retailer or manufacturer. They will assist you with any questions or issues you may encounter.

By following these safety instructions, you can ensure a safe and effective experience with your Expander.

Thank you for your attention to these important guidelines.
