# Expander Safety Instruction Guide

## Introduction

Thank you for choosing the Expander. This product is designed for precision neck expansion and optimal bullet seating in reloading applications. It is essential to read and understand these safety instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the Expander according to the manufacturer's instructions.
- Ensure that the product is suitable for your specific reloading dies.
- Be aware of the potential hazards associated with using tools and machinery.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Ensure that your work area is clean and welllit to avoid accidents.
- Do not use the Expander if you are tired or under the influence of substances that may impair your judgment.
- Follow all safety instructions related to the reloading process to prevent accidents.
- Avoid distractions while using the Expander to maintain focus on the task at hand.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading die is compatible with the Expander.
- Carefully remove the Expander from its packaging.
- Install the Expander into the reloading die according to the die manufacturer's instructions.
- Ensure that the Expander is securely fastened before use.

### 2. Usage:

- Set up your reloading workstation in a safe and secure area.
- Follow the reloading die instructions for operation and ensure that the Expander is used as intended.
- Monitor the process closely to ensure that no unsafe conditions arise during use.
- After use, clean the Expander to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the Expander responsibly according to local regulations.
- Do not dispose of the product in regular household waste.
- If the Expander is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you have the latest safety updates and product recalls by checking the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
