Safety Instruction Guide for Expander Expander 11,12/.4378

Introduction

Thank you for choosing the Expander Expander 11,12/.4378. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. It is manufactured from highquality hardened steel and precisionground on CNC machines. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the Expander by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of reloading tools.
- Regularly check for updates regarding product recalls through the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- Keep this manual in a safe place for future reference.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that the work area is clean, dry, and welllit.
- Keep the Expander out of reach of children and vulnerable individuals.
- Do not use the Expander for any purpose other than its intended use.
- Inspect the Expander before each use for signs of wear or damage. If any issues are found, do not use the product and contact support for assistance.
- Do not exceed the recommended operating specifications provided by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the appropriate reloading die compatible with the Expander.
- Carefully remove the Expander from its packaging.
- Insert the Expander into the reloading die following the manufacturer's guidelines.
- Secure the Expander in place, ensuring it is properly aligned.

2. Usage:

- Prepare your reloading setup according to standard reloading procedures.
- Use the Expander to expand the neck of the cartridge case as needed.
- Ensure smooth operation by applying consistent, even pressure during use.
- After use, clean the Expander to remove any debris or residue.

Disposal Instructions

- Dispose of any damaged or wornout Expanders in accordance with local waste disposal regulations.
- Do not dispose of the Expander in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Expander Expander 11,12/.4378, please reach out to your retailer or manufacturer. Ensure that you have the product details on hand for a more efficient response.

By following these guidelines, you can ensure safe and effective use of the Expander Expander 11,12/.4378. Thank you for your attention to safety and compliance.
