

Expander ⌀11,55/.4547

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀11,55/.4547
- Manufacturer: TRIEBEL
- Product no.: EU2017332
- Mfr. No.: 3000050V-11.55
- Diameter mm: 11,55
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-11.55

Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the Expander to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Always use the Expander according to the manufacturer's instructions.
- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents involving the Expander to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the Expander.
- Ensure that the work area is clean, welllit, and free from distractions.
- Follow all instructions for the setup and operation of your reloading equipment.
- Do not exceed the recommended specifications of the Expander, including the maximum diameter and pressure limits.
- Avoid using the Expander for purposes other than those specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading die is securely mounted in your reloading press.
- Insert the Expander into the reloading die until it is fully seated.
- Tighten the die according to the manufacturer's specifications to ensure stability during use.

2. Usage:

- Prepare your brass cases for neck expansion by cleaning and inspecting them for damage.
- Place a brass case in the reloading press.
- Operate the reloading press slowly and steadily to avoid sudden movements that could cause accidents.
- After expansion, inspect the brass case to ensure the neck is expanded to the desired diameter.
- Remove the Expander from the die after use and clean it to maintain its precision and longevity.

Disposal Instructions

- Dispose of the Expander according to local regulations for metal recycling.
- If the Expander is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential hazards to people or the environment.

Contact Information for Further Support

For any questions regarding the Expander or to report safety concerns, please contact the manufacturer or your local authority.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
