

Expander ⌀11,60/.4567

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀11,60/.4567
- Manufacturer: TRIEBEL
- Product no.: EU2017335
- Mfr. No.: 3000050V-11.60
- Diameter mm: 11,60
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-11.60

Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides important safety information and instructions to ensure the safe use of the product. Please read this guide carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is neck expansion and bullet seating in reloading processes.
- Always inspect the Expander for any visible damage or wear before use. Do not use if damaged.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Expander.
- Be aware of your surroundings and ensure you are in a safe environment when using the Expander.
- If you experience any difficulty or uncertainty while using the product, seek assistance from a knowledgeable individual.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions when using the Expander.
- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid using excessive force when operating the Expander to prevent injury or damage to the product.
- Ensure that all components are securely fastened before use to prevent accidents.
- Do not modify the Expander in any way, as this could result in unsafe conditions.
- Store the Expander in a dry and secure location when not in use to prevent damage and unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die according to the manufacturer's instructions.
- Secure the Expander in place, ensuring it is tightly fitted to avoid any movement during use.

2. Usage:

- Prepare your casing and ensure it is properly positioned in the reloading die.
- Operate the reloading press according to the manufacturer's guidelines, applying steady and even pressure.
- Monitor the process closely to ensure that the Expander is functioning correctly and that no issues arise.
- Once the neck expansion is complete, carefully remove the casing from the reloading die.

Disposal Instructions

- Dispose of the Expander in accordance with your local regulations regarding metal products.
- Do not dispose of the Expander in regular household waste.
- Consider recycling the Expander if possible, as it is made from hardened steel.

Contact Information for Further Support

For any inquiries or support regarding the Expander, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

By following these safety instructions, you can ensure a safe and effective experience with your Expander. Thank you for your attention to safety and proper usage.
