Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safe and effective use of the product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Always use the Expander according to the manufacturer's instructions.
- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Inspect the Expander for any signs of damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that the working area is clean, welllit, and free from distractions.
- Do not exceed the specified diameter of 11.68 mm during use.
- Follow all safety guidelines related to the handling and reloading of ammunition.
- Avoid using the Expander for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the reloading die according to the manufacturer's specifications.
- Adjust the Expander to the desired depth for neck expansion.

2. Usage:

- Place the casing securely in the reloading press.
- Operate the press to expand the neck of the casing using the Expander.
- Once the neck is expanded, remove the casing from the press carefully.
- Inspect the casing to ensure that the neck expansion is uniform and meets your specifications.

Disposal Instructions

- Dispose of the Expander according to local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- Consider recycling the Expander if possible.
