Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the Expander.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Follow all local regulations and guidelines regarding the use of reloading tools and equipment.

Specific Safety Precautions for Use

- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended diameter specifications (11.84 mm) for the Expander.
- Ensure that the workspace is clean and free of obstructions before starting any reloading activities.
- Avoid using excessive force when using the Expander to prevent injury or damage to the tool.
- If you experience any unusual noises or resistance while using the Expander, stop immediately and inspect the tool.
- Store the Expander in a safe, dry place when not in use to prevent rust and damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials required for reloading.
- Make sure you have the appropriate reloading dies from Triebel Waffenwerkzeuge.

2. Installation:

- Securely attach the Expander to your reloading press according to the manufacturer's instructions.
- Ensure that the Expander is aligned properly to avoid misalignment during use.

3. Usage:

- Begin the reloading process by following standard reloading procedures.
- Insert the cartridge case into the reloading die and use the Expander to expand the neck of the case.
- Apply consistent and moderate pressure to ensure even expansion.
- After use, clean the Expander with a soft cloth to remove any debris or residue.

4. PostUsage:

- Inspect the Expander for any signs of wear or damage.
- Store the Expander in its designated storage area, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling or hazardous waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, contact local recycling facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Expander, please contact your local distributor or the manufacturer's customer service. Always ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with the Expander. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
