

Expander ⌀11,99/.4720

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀11,99/.4720
- Manufacturer: TRIEBEL
- Product no.: EU2017339
- Mfr. No.: 3000050V-11.99
- Diameter mm: 11,99
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-11.99

Expander Safety Instruction Guide

Introduction

Thank you for purchasing the Expander. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is for neck expansion and bullet seating in reloading processes.
- Always follow the manufacturer's instructions and guidelines when using the Expander.
- Inspect the Expander before each use for any signs of damage or wear. Do not use if damaged.
- Keep the Expander out of reach of children and vulnerable individuals to prevent accidents.
- Store the Expander in a safe place when not in use to avoid unauthorized access.
- Report any unsafe conditions or incidents involving the Expander to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Expander to protect against potential injuries.
- Ensure that the workspace is clean and free from clutter to avoid accidents during use.
- Use the Expander in a wellventilated area to minimize exposure to any potential fumes or particles.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery during operation.
- Do not exceed the recommended specifications for the Expander, including the diameter of 11.99 mm, to ensure safe operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is compatible with the Expander.
- Carefully insert the Expander into the reloading die according to the manufacturer's instructions.
- Secure the Expander firmly in place to prevent movement during use.

2. Usage:

- Before starting, ensure that all safety precautions are in place and that you are wearing the appropriate PPE.
- Begin the neck expansion process by following the specific instructions provided by the manufacturer of your reloading die.
- Monitor the operation closely to ensure that the Expander is functioning correctly and safely.
- If any unusual sounds or movements occur, stop using the Expander immediately and inspect it for issues.

3. PostUsage:

- After use, clean the Expander according to the manufacturer's recommendations to maintain its quality and performance.
- Store the Expander in its designated place to prevent damage and ensure it is not accessible to children.

Disposal Instructions

- Dispose of the Expander responsibly at the end of its life cycle.
- Do not dispose of the Expander in regular household waste. Instead, follow local regulations for the disposal of metal products.
- If you are unsure about how to dispose of the Expander, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided with your product. It is important to reach out for support to ensure safe and effective use.

Thank you for prioritizing safety while using the Expander. Your attention to these guidelines helps ensure a safe experience and contributes to overall product safety.
