Safety Instruction Guide for Expander Expander 12,24/.4819

Introduction

Thank you for choosing the Expander Expander 12,24/.4819. This product is designed for precise neck expansion and optimal bullet seating, made from highquality hardened steel and precisionground on CNC machines. It is essential to follow safety guidelines to ensure safe usage and to prevent accidents. This guide provides important safety instructions and information regarding the safe use of this product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use protective gear, such as safety glasses and gloves, when operating this product.
- Be aware of your surroundings and ensure a safe working environment.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Do not exceed the recommended diameter specifications when using the Expander.
- Avoid using the product if it is damaged or malfunctioning.
- Do not modify the product in any way, as this may compromise safety.
- Always follow the manufacturer's instructions for use and maintenance.
- Use the product in a wellventilated area to avoid inhaling any harmful particles.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Attach the Expander to the reloading die according to the manufacturer's instructions.
- Check that the Expander is securely fastened and properly aligned.

2. Usage:

- Before starting, ensure that all safety gear is worn.
- Load the appropriate cartridge case into the reloading press.
- Activate the reloading press slowly and steadily to perform neck expansion.
- Monitor the process closely to ensure that the Expander is functioning correctly.
- After use, remove the Expander from the die and clean it to remove any debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not discard the product in regular household waste.
- Consider recycling options for metal components where available.
- Ensure that the product is completely nonfunctional before disposal to prevent any accidental use.

Contact Information for Further Support

For any further questions or support regarding the Expander Expander 12,24/.4819, please reach out to the appropriate support channels. Always ensure that you are contacting a recognized authority or the manufacturer for reliable assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with the Expander Expander 12,24/.4819. Thank you for your attention to safety!
