Safety Instruction Guide for Expander Expander 12,25/.4823

Introduction

Thank you for choosing the Expander Expander 12,25/.4823. This product is designed for precision neck expansion and optimal bullet seating in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information on safe handling, installation, and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Expander Expander as intended. Misuse may result in injury or damage.
- Ensure that the product is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- If you notice any defects, stop using the product immediately and report it to the manufacturer.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that your workspace is clean, organized, and free from distractions.
- Use the Expander in a wellventilated area to avoid inhalation of any dust or particles.
- Do not exceed the recommended specifications for the Expander to prevent accidents.
- Avoid using excessive force during operation to maintain control and accuracy.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Expander into the appropriate die in your reloading setup.
- Tighten the die securely but avoid overtightening, which could damage the threads.

2. Usage:

- Before starting, doublecheck that all components are securely fastened.
- Adjust the Expander to the desired depth for neck expansion.
- Feed the brass cases into the reloading press and operate the press slowly and steadily.
- Monitor the process to ensure consistent results and prevent any jams or misfeeds.

3. PostUse:

- After use, clean the Expander to remove any residue or debris.
- Store the Expander in a dry, safe location, away from moisture and extreme temperatures.
- Regularly check for any signs of wear or damage before future use.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling.
- Do not dispose of the product in household waste.

- If the product is damaged beyond repair, contact your local waste management authority for guidance on proper disposal.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the relevant EU contact point or your local authority. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Expander Expander 12,25/.4823. Your attention to these guidelines helps ensure a safe and effective reloading experience.
