Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander. This product is designed for precision neck expansion and optimal bullet seating in reloading applications. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the Expander, ensure that it is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Do not exceed the recommended diameter specifications (12.88 mm) during use.
- Avoid using excessive force during operation to prevent injury or damage to the product.
- Always follow the manufacturer's instructions for your reloading equipment to avoid accidents.
- If you experience any unusual noise or resistance while using the Expander, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for reloading.
- Ensure that your workspace is clean and organized.

2. Installation:

- Carefully insert the Expander into the appropriate reloading die.
- Ensure that it is securely fastened and aligned properly.

3. Usage:

- Load your casing into the reloading press as per the manufacturer's instructions.
- Operate the reloading press slowly and steadily while using the Expander.
- Monitor the expansion process closely to ensure precision and safety.

4. PostUsage:

- After use, clean the Expander with a soft cloth to remove any debris or residue.
- Store the Expander in a safe place, away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste.

- If the product is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, please refer to the contact point provided with your product purchase. It is essential to have access to support for any questions or concerns regarding the safe use of the Expander.

By following these safety instructions, you can help ensure a safe and effective experience with your Expander Expander. Thank you for your attention to safety and for choosing our product.
