Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander. This guide provides important safety instructions to ensure the safe use of the product. Please read this guide carefully before using the Expander to prevent any accidents or injuries.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves while operating the Expander.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Always ensure that the Expander is securely attached to the reloading die before use.
- Do not exceed the recommended diameter of 12.89 mm for the Expander.
- Avoid using excessive force when operating the Expander to prevent damage.
- Do not operate the Expander in a wet or damp environment.
- If the Expander becomes jammed, stop using it immediately and follow the troubleshooting steps.

Instructions for Installation and Usage

1. Installation

- Remove the Expander from its packaging.
- Inspect the Expander for any visible damage.
- Attach the Expander to the reloading die, ensuring it is securely fastened.
- Confirm that the Expander is properly aligned before proceeding.

2. Usage

- Set up your reloading station according to the manufacturer's instructions.
- Insert the case into the reloading die.
- Operate the press to expand the neck of the case using the Expander.
- Check the case after expansion to ensure proper sizing and fit for bullet seating.
- Clean the Expander after each use to maintain its performance.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- Do not dispose of the Expander in regular household waste if it is damaged.
- Consider recycling the Expander if applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please contact your local distributor or visit the manufacturer's website for assistance.

By following these guidelines, you can ensure a safe and effective experience with the Expander. Thank you for your attention to safety!
