Safety Instruction Guide for Expander Expander 12,90/.5079

Introduction

Thank you for choosing the Expander Expander 12,90/.5079. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. It is manufactured from highquality hardened steel and precisionground on CNC machines. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and safety guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Ensure that the work area is clean, dry, and free from distractions.
- Do not exceed the recommended specifications for use, including diameter and pressure limits.
- Avoid using the product if it shows any signs of damage or malfunction.
- Keep hands and other body parts clear of moving parts during operation.
- Use the product in a wellventilated area to avoid inhaling any dust or particles generated during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is compatible with the Expander Expander.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Secure the assembly according to the manufacturer's guidelines.

2. Usage:

- Adjust the Expander to the desired position according to your specific reloading requirements.
- Proceed to expand the neck of the cartridge case as per your reloading process.
- Monitor the process closely to ensure that the expansion is uniform and meets your specifications.
- After use, clean the Expander to remove any residue or debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling it at a designated facility.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with your purchase. Ensure all safety concerns are addressed promptly.

This safety instruction guide aims to provide clear and concise information regarding the safe use of the Expander Expander 12,90/.5079. By following these guidelines, you can ensure a safe and effective reloading experience.
