Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander Expander 12,96/.5102. This product is designed for precise neck expansion and optimal bullet seating during reloading processes. To ensure your safety and the safe use of this product, please read and follow all instructions and guidelines provided in this manual.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Follow all local laws and regulations regarding reloading and firearm safety.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always work in a wellventilated area when using the Expander.
- Do not use the Expander if you are under the influence of drugs or alcohol.
- Avoid loose clothing and jewelry that may get caught in machinery.
- Maintain a clean workspace to avoid accidents.
- Do not attempt to modify or alter the Expander in any way.
- Ensure that the Expander is securely attached to the reloading die before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is clean and free of debris.
- Carefully insert the Expander into the reloading die until it is fully seated.
- Tighten the die according to the manufacturer's specifications to secure the Expander in place.

2. Usage:

- Set the reloading press to the appropriate settings as per the manufacturer's instructions.
- Load the case into the reloading press.
- Activate the press to expand the neck of the case. Ensure you are using the correct caliber for the Expander.
- Once the neck has been expanded, remove the case and inspect it for proper expansion.
- Repeat the process as necessary for additional cases.

Disposal Instructions

- Dispose of the Expander and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the Expander in regular household waste if it is deemed hazardous.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product performance, please contact the EUbased support service

provided with your product.

By following these guidelines, you can ensure a safe and effective experience with your Expander. Always prioritize safety and stay informed about best practices in reloading and firearm maintenance.
