# Safety Instruction Guide for the Expander Expander

## Introduction

Thank you for purchasing the Expander Expander. This guide provides essential safety instructions and usage information to ensure safe and effective operation. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the Expander Expander is used only for its intended purpose, which is to assist in neck expansion and bullet seating during reloading.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander Expander.
- Ensure that your work area is clean, dry, and welllit to avoid accidents.
- Do not exceed the recommended specifications for the Expander Expander, including the maximum diameter of 14.78 mm.
- Do not use the Expander Expander in a manner inconsistent with its design or manufacturer instructions.
- If you experience any unusual behavior or performance issues while using the product, discontinue use immediately and consult a qualified technician.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Expander Expander is compatible with your original reloading dies from Triebel Waffenwerkzeuge.
- Securely attach the Expander Expander to the reloading die following the manufacturer's instructions.
- Check that all connections are tight and secure before proceeding.

### 2. Usage:

- Position the reloading die with the attached Expander Expander in your reloading press.
- Follow the recommended procedures for neck expansion and bullet seating as outlined in your reloading die manual.
- Monitor the process closely to ensure that the Expander Expander is functioning correctly and safely.
- After use, clean the Expander Expander to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the Expander Expander in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.
- Ensure that any remaining materials related to the product are handled safely and responsibly.

## **Contact Information for Further Support**

For any questions regarding safety or product usage, please consult your local retailer or the manufacturer's customer service for assistance.

Thank you for prioritizing safety and for your commitment to responsible reloading practices.
