Safety Instruction Guide for Expander Expander 14,80/.5827

Introduction

Thank you for choosing the Expander Expander 14,80/.5827. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the Expander to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the Expander before use for any signs of damage or wear.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that the work area is clear of any obstructions or hazards.
- Avoid using the Expander in wet or damp conditions to prevent electric shock or rust.
- Do not exceed the recommended usage limits as specified by the manufacturer.
- Be cautious of sharp edges and moving parts when handling the Expander.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your work area is clean and welllit.
- Gather all necessary tools and safety equipment before starting.

2. Installation:

- Secure the Expander in a stable position before use.
- Ensure that it is properly aligned with the reloading die as per the manufacturer's specifications.

3. Usage:

- Follow these steps for safe operation:
 - Insert the Expander into the reloading die.
 - Apply even pressure while expanding the neck of the casing to avoid deformation.
 - Check the bullet seating depth regularly to ensure optimal performance.
 - After use, clean the Expander to maintain its precision and longevity.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- If the Expander is damaged or no longer usable, consider recycling the metal components where possible.
- Do not dispose of the Expander in household waste.

Contact Information for Further Support

For any questions regarding the product or safety inquiries, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety instructions. Your safety is our priority.
