Expander BR Safety Instruction Guide

Introduction

Thank you for choosing the Expander BR (Bench Rest). This product is designed for precision reloading of short cartridge cases and is made from hardened steel. Please read this safety instruction guide thoroughly to ensure safe and effective use of the Expander BR.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander BR for any signs of wear or damage before use.
- If you notice any defects or irregularities, do not use the product and contact the manufacturer for assistance.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The Expander BR is a precision tool and should be handled with care to avoid injury.
- Improper use may result in accidents, including but not limited to, personal injury or damage to equipment.

- **Avoiding Hazards:**

- Always ensure that the decapping pin is properly secured before use.
- Do not exceed the recommended pressure limits when using the Expander BR.
- Keep hands and other body parts away from moving parts during operation.
- Ensure that the work area is clean and free from any obstructions that could lead to accidents.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading die is properly mounted on the reloading press.
2. Remove the existing brass knurled sleeve from the die.
3. Insert the Expander BR into the die, ensuring it is seated securely.
4. Secure the decapping pin in place using the provided mechanism.

- **Usage:**

1. Place the cartridge case in the reloading press.
2. Activate the reloading press to expand the cartridge case using the Expander BR.
3. Monitor the process carefully to ensure consistent results.
4. After use, remove the Expander BR from the die and store it in a safe place.

Disposal Instructions

- Dispose of the Expander BR in accordance with local regulations.

- If the product is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact the manufacturer or visit their official website for more information.

By following these safety instructions, you can ensure a safe and effective experience with your Expander BR. Thank you for your attention to these important guidelines.
