Expander BR Safety Instruction Guide

Introduction

Thank you for choosing the Expander BR. This guide provides essential safety instructions to ensure the safe use of the Expander BR, which is designed for precision reloading of short cartridge cases. Please read and understand all safety guidelines before using the product.

General Safety Guidelines

- Ensure that the Expander BR is used only for its intended purpose as described in this guide.
- Always handle the Expander BR with care to prevent injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander BR for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Expander BR.
- Do not exceed the recommended specifications for the Expander BR, including diameter and compatibility with reloading dies.
- Ensure that the decapping pin is securely fastened before use to avoid accidents.
- Use the Expander BR in a wellventilated area to avoid inhalation of any dust or particles generated during the reloading process.
- Do not attempt to modify or repair the Expander BR yourself. Contact a qualified technician for any repairs.

Instructions for Installation and Usage

1. Installation:

- Remove the existing brass knurled sleeve from your reloading die.
- Insert the Expander BR into the die, ensuring it fits securely.
- Tighten the die according to the manufacturer's specifications to secure the Expander BR in place.
- Ensure the decapping pin is properly secured before proceeding.

2. Usage:

- Prepare your short cartridge cases for reloading as per standard procedures.
- Ensure that your work area is clean and organized to prevent accidents.
- Follow the manufacturer's instructions for your reloading press to operate safely.
- Monitor the Expander BR during use for any signs of malfunction or wear.

Disposal Instructions

- Dispose of the Expander BR in accordance with local regulations for metal products.
- Do not dispose of the Expander BR in regular household waste.
- Consider recycling options for metal materials to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Expander BR, please refer to the official website or contact

your local authorized dealer. Ensure you have the product details ready for assistance.

By following these guidelines, you can ensure a safe and effective experience with the Expander BR. Thank you for your attention to safety.
