Expander BR Safety Instruction Guide

Introduction

Thank you for purchasing the Expander BR (Bench Rest). This product is designed for precision reloading of short cartridge cases and is made from hardened, precision-ground steel. To ensure your safety and the proper functioning of the Expander BR, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the Expander BR is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Expander BR.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander BR for any signs of wear or damage before use.
- Do not modify or alter the Expander BR in any way.
- Be aware of your surroundings and ensure your workspace is free from hazards when using the Expander BR.

Specific Safety Precautions for Use

- Always handle the Expander BR with care to avoid injury.
- Ensure that the decapping pin is securely fastened before use.
- Use the Expander BR only with original reloading dies from Triebel Waffenwerkzeuge.
- Do not use the Expander BR if it is damaged or malfunctioning.
- Follow the manufacturer's instructions for use and maintenance.
- Be cautious of hot surfaces, as the Expander BR may become warm during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is properly set up and secured.
- Remove the existing brass knurled sleeve from your reloading die.
- Carefully insert the Expander BR into the die, ensuring it fits securely.
- Tighten the locking mechanism to secure the Expander BR in place.
- Check that the decapping pin is properly aligned and secured.

2. Usage:

- Prepare your cartridge cases for reloading according to standard reloading practices.
- Insert the cartridge case into the reloading press.
- Operate the press slowly and steadily, ensuring that the Expander BR is functioning correctly.
- After use, remove the cartridge case and inspect it for any defects.
- Clean the Expander BR after use to maintain its performance.

Disposal Instructions

- Dispose of the Expander BR in accordance with local regulations.
- If the product is no longer usable, consider recycling it if applicable.
- Do not dispose of the Expander BR in general waste if it is still functional; consider donating it to a local shooting or reloading club.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your Expander BR responsibly!
