Safety Instruction Guide for Reloading Die Spare Parts Decapping Pin

Introduction

Thank you for choosing the Reloading Die Spare Parts Decapping Pin. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before using the decapping pins.

General Safety Guidelines

- Always ensure that the decapping pins are used in accordance with the manufacturer's instructions.
- Inspect the decapping pins for any damage or wear before each use. Do not use damaged pins.
- Keep the decapping pins out of reach of children and vulnerable individuals.
- Store the decapping pins in a safe, dry place when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure proper handling of the decapping pins to avoid injury. Use appropriate tools when securing the pins.
- Wear safety glasses to protect your eyes from any potential debris during the reloading process.
- Use the decapping pins only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Follow all safety protocols associated with reloading ammunition to prevent accidents.

Instructions for Installation and Usage

1. Installation of Decapping Pins:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the decapping pin into the decapping pin holder.
- Tighten the holder securely to prevent the pin from loosening during use.

2. Using the Decapping Pins:

- Place the cartridge case in the reloading die.
- Operate the reloading press according to the manufacturer's instructions to remove the primer.
- After use, remove the decapping pin and store it safely.

3. Maintenance:

- Regularly clean the decapping pins to remove any residue.
- Store the pins in a protective case to prevent bending or damage.

Disposal Instructions

- Dispose of any damaged or worn decapping pins in accordance with local regulations for metal waste.
- Never dispose of the pins in regular household waste.

Contact Information for Further Support

For any questions or safety inquiries regarding the Reloading Die Spare Parts Decapping Pin, please contact your local retailer or the manufacturer directly. Ensure you have the product details at hand for a more efficient

response.

By following these safety instructions, you can ensure a safe and effective reloading experience with your decapping pins. Thank you for your attention to these important safety guidelines.
