

Neck Bushing ⌀12,7-5,10/.2008

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-5,10/.2008
- Manufacturer: TRIEBEL
- Product no.: EU2017589
- Mfr. No.: 3000240V-05.10
- Diameter mm: 12,7 / 5,10
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-05.10

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing made from highquality hardened steel. This guide provides important safety instructions to ensure safe usage, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose: precise neck sizing for reloading dies.
- Always inspect the Neck Bushing for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the Neck Bushing.
- Use the Neck Bushing only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid using excessive force during the sizing process to prevent injury or equipment damage.
- Ensure that your work area is clean and free from hazards that may cause accidents.
- Do not modify or alter the Neck Bushing in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools and equipment ready for installation.
- Verify that the work area is clean and welllit.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Insert the Neck Bushing into the designated slot of your reloading die.
- Secure the Neck Bushing in place according to the manufacturer's instructions for your specific reloading die.

3. Usage:

- Adjust the reloading die to the desired settings for neck sizing.
- Place the cartridge case into the die and apply steady pressure to size the neck.
- Monitor the process closely to ensure proper sizing and avoid excessive force.

4. PostUsage:

- After use, clean the Neck Bushing to remove any debris or residue.
- Store the Neck Bushing in a safe, dry location away from children and pets.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- Check for any specific recycling programs available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's support resources or your retailer for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
