Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the Neck Bushing with care to prevent injury.
- Ensure the product is used only for its intended purpose as specified in this manual.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Neck Bushing.
- Ensure that the reloading setup is stable and secure to avoid accidents during operation.
- Avoid using excessive force when inserting or removing the Neck Bushing from the reloading die.
- Do not modify the Neck Bushing in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that no one is in close proximity while using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Secure the die in place on the reloading press, ensuring it is tightly fitted.

2. Usage:

- Adjust the reloading press settings according to the specifications for the caliber you are working with.
- Carefully insert the case into the reloading die with the Neck Bushing installed.
- Operate the reloading press smoothly and steadily to achieve precise neck sizing.
- After use, remove the case and inspect it for any defects or issues.

Disposal Instructions

- Dispose of the Neck Bushing responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the Neck Bushing is damaged or no longer usable, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Neck Bushing, please refer to the product packaging for contact details of the manufacturer or authorized distributor.

By following these safety instructions, you can ensure a safe and effective experience with the Neck Bushing. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important

safety measures.
