

Neck Bushing ⌀12,7-5,95/.2343

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-5,95/.2343
- Manufacturer: TRIEBEL
- Product no.: EU2017594
- Mfr. No.: 3000240V-05.95
- Diameter mm: 12,7 / 5,95
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-05.95

Neck Bushing Safety Instruction Guide

Introduction

Thank you for purchasing the Neck Bushing designed for precise neck sizing. This guide provides important safety instructions and usage guidelines to ensure safe and effective operation of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the Neck Bushing by following the instructions provided in this guide.
- The product is intended for use with original reloading dies from Triebel Waffenwerkzeuge.
- Always inspect the Neck Bushing for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Check the EU's Safety Gate platform regularly for any recall updates related to this product.

Specific Safety Precautions for Use

- Use the Neck Bushing only for its intended purpose of neck sizing.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushing.
- Avoid contact with sharp edges or burrs on the bushing.
- Do not modify the Neck Bushing in any way as this may compromise its safety and effectiveness.
- Ensure that your work area is clean and free of hazards before using the bushing.
- Always follow the manufacturer's instructions for your reloading dies to ensure compatibility with the Neck Bushing.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that the bushing is securely in place before proceeding.

2. Usage:

- Set up your reloading press according to the manufacturer's guidelines.
- Insert the case that requires neck sizing into the reloading die with the installed Neck Bushing.
- Operate the press smoothly and steadily to achieve the desired neck sizing.
- After use, carefully remove the case from the die and inspect it for any irregularities.

3. PostUsage Care:

- Clean the Neck Bushing after each use to maintain its precision and longevity.
- Store the bushing in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the Neck Bushing responsibly in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling options if available.
- Do not dispose of the bushing in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Neck Bushing, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and following these guidelines while using the Neck Bushing. Your adherence to these instructions will help ensure a safe and effective reloading experience.
