Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand all instructions before using the Neck Bushing to prevent accidents and injuries.

General Safety Guidelines

- Always use the Neck Bushing in accordance with the manufacturer's instructions.
- Ensure that the product is used only for its intended purpose: precise neck sizing.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the Neck Bushing for any signs of damage or wear before use.
- Report any unsafe product incidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the Neck Bushing.
- Ensure that your work area is clean, welllit, and free from distractions.
- Avoid using excessive force when resizing, as this may lead to equipment failure or personal injury.
- Do not modify the Neck Bushing in any way; alterations may compromise safety and functionality.
- Always follow the recommended procedures for neck sizing to ensure optimal results and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free of debris.
- Insert the Neck Bushing into the reloading die according to the manufacturer's specifications.
- Secure the bushing in place, ensuring that it is properly aligned.

2. Usage:

- Place the cartridge case in the reloading die.
- Apply steady, even pressure to the handle of the reloading press to resize the neck of the cartridge case.
- After resizing, carefully remove the cartridge case from the die.
- Inspect the resized neck for any imperfections or irregularities before proceeding to the next step.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations regarding metal waste.
- Do not dispose of the Neck Bushing in regular household waste.
- If the product is damaged or no longer in use, consider recycling it at a designated facility.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact details provided with the product packaging. It is important to have access to support for safe usage and product inquiries.

Thank you for following these safety guidelines. Your safety is our priority.
