

Neck Bushing ⌀12,7-6,12/.2409

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,12/.2409
- Manufacturer: TRIEBEL
- Product no.: EU2017598
- Mfr. No.: 3000240V-06.12
- Diameter mm: 12,7 / 6,12
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.12

Safety Instruction Guide for Neck Bushing

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is manufactured from highquality hardened steel to ensure durability and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose, which is neck sizing in the reloading process.
- Always handle the bushing with care to avoid injury. The edges may be sharp.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of wear or damage before use.
- If the bushing appears damaged, do not use it and contact the manufacturer for guidance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the bushing.
- Ensure that your workspace is clean, dry, and welllit to prevent accidents.
- Do not force the bushing into the die; it should fit snugly without excessive pressure.
- Avoid using the bushing with incompatible reloading dies.
- Follow the manufacturer's instructions for your specific reloading equipment to ensure compatibility and safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your reloading press is properly set up and secured.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Inspect the bushing for any defects or damage.
- Insert the Neck Bushing into the appropriate die according to the manufacturer's instructions.
- Ensure it is seated properly and securely.

3. Usage:

- Follow the reloading procedure as specified in your reloading press manual.
- Adjust the sizing die to achieve the desired neck tension as per your specific reloading requirements.
- After use, clean the bushing to remove any debris or residue.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling options where available.
- Do not dispose of the bushing in regular household waste if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please consult the manufacturer's website or customer service for assistance. Ensure you have the product information ready when reaching out for support.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
