

Neck Bushing ⌀12,7-6,22/.2449

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,22/.2449
- Manufacturer: TRIEBEL
- Product no.: EU2017605
- Mfr. No.: 3000240V-06.22
- Diameter mm: 12,7 / 6,22
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.22

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing designed for precise neck sizing. This guide provides important safety instructions, usage guidelines, and disposal information to ensure safe and effective use of the product. Please read this document carefully before using the Neck Bushing.

General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose.
- Always inspect the Neck Bushing for any signs of damage before each use.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Neck Bushing.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the Neck Bushing.
- Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge.
- Avoid using the Neck Bushing in wet or damp conditions to prevent rust and corrosion.
- Ensure that your work area is welllit and free from any obstructions.
- Always follow the manufacturer's instructions for safe operation and maintenance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your work area is clean and organized.

2. Installation:

- Carefully remove the Neck Bushing from its packaging.
- Inspect the bushing for any visible defects.
- Install the Neck Bushing into the reloading die according to the manufacturer's instructions.
- Ensure that it is securely fastened and properly aligned.

3. Usage:

- Follow the reloading die's instructions for neck sizing.
- Apply even pressure during the sizing process to avoid damaging the bushing or the cartridge.
- Regularly check the bushing for wear and tear during use.

4. PostUse Care:

- Clean the Neck Bushing after each use to remove any debris or residue.
- Store the Neck Bushing in a dry, cool place, away from direct sunlight.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.

- If the Neck Bushing is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the Neck Bushing in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please consult the manufacturer's official website or customer service. It is important to have access to support for any questions that may arise during usage.

By following these guidelines, you can ensure a safe and effective experience with your Neck Bushing. Thank you for your attention to these important safety instructions.
