

Neck Bushing ⌀12,7-6,23/.2453

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,23/.2453
- Manufacturer: TRIEBEL
- Product no.: EU2017606
- Mfr. No.: 3000240V-06.23
- Diameter mm: 12,7 / 6,23
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.23

Neck Bushing Safety Instructions

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precision neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to assist in the neck sizing of ammunition.
- Always inspect the Neck Bushing for damage or wear before use. Do not use if any defects are found.
- Keep the product out of reach of children and vulnerable individuals, as it may pose a risk if misused.
- Be aware of your surroundings when using the Neck Bushing to avoid accidents.
- Follow all local regulations regarding the use and storage of reloading equipment and materials.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the Neck Bushing.
- Ensure that the reloading press is securely mounted and stable before using the Neck Bushing.
- Do not exceed the recommended sizing limits specified by the manufacturer to avoid damage to the bushing or the ammunition.
- Use only compatible reloading dies from Triebel Waffenwerkzeuge with this Neck Bushing to maintain safety and performance.
- Avoid using excessive force when resizing to prevent injury or damage to the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Insert the Neck Bushing into the appropriate die as per the manufacturer's instructions.
- Secure the die in the press according to the reloading press manufacturer's guidelines.

2. Usage:

- Prepare your brass cases according to standard reloading procedures.
- Place the brass case into the shell holder of the reloading press.
- Operate the press slowly and steadily, applying even pressure to resize the neck of the brass case.
- After resizing, carefully remove the brass case and inspect it for any defects or issues.

Disposal Instructions

- Dispose of the Neck Bushing responsibly according to local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options available in your area.
- Ensure that any damaged or unusable components are disposed of safely to prevent accidental injury.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Neck Bushing, please consult the manufacturer or authorized retailer for assistance. It is important to stay informed about product recalls and safety updates, which can be

found on the EU's Safety Gate platform.

Thank you for prioritizing safety. Enjoy your reloading experience with the Neck Bushing!
