Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this manual carefully before using the Neck Bushing to ensure your safety and the safety of others.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the Neck Bushing.
- Inspect the product before each use for any signs of damage or wear. Do not use if damaged.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Be aware of your surroundings and ensure that no one is in the vicinity when using the Neck Bushing.
- Report any unsafe conditions or accidents involving the Neck Bushing to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the Neck Bushing.
- Ensure that the reloading die is securely mounted and that the Neck Bushing is properly installed before use.
- Do not exceed the recommended specifications for the Neck Bushing, including diameter and pressure limits.
- Handle the Neck Bushing with care to avoid cuts or injuries from sharp edges.
- Do not modify the Neck Bushing in any way, as this may compromise its safety and effectiveness.
- Use caution when cleaning the Neck Bushing; avoid using harsh chemicals that may damage the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Align the Neck Bushing with the reloading die and insert it carefully.
- Securely tighten the Neck Bushing in place according to the manufacturer's specifications.

2. Usage:

- Set up your reloading equipment in a wellventilated area.
- Follow the reloading process as per your specific requirements.
- Monitor the reloading process closely to ensure everything is functioning correctly.
- If any unusual noise or resistance occurs during use, stop immediately and inspect the equipment.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in general waste. Check for recycling options or designated disposal sites.
- Ensure that the Neck Bushing is not accessible to children or pets during disposal.

Contact Information for Further Support

For any inquiries regarding the safety or use of the Neck Bushing, please contact your local dealer or the manufacturer's customer service department. They will provide you with the necessary assistance and

information.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the Neck Bushing responsibly.
