Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's instructions.
- Always inspect the product for damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear such as safety glasses and gloves when handling the Neck Bushing.
- **Work Area:** Ensure that your work area is welllit and free from clutter to prevent accidents.
- **Handling:** Handle the Neck Bushing with care to avoid injury. The edges may be sharp.
- **Compatibility:** Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge. Using it with other brands may lead to unsafe conditions.
- **Temperature:** Do not expose the product to extreme temperatures as it may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that your reloading press is clean and in good working condition.

2. Installation:

- Insert the Neck Bushing into the appropriate die according to the manufacturer's instructions.
- Secure the bushing in place to ensure it does not move during operation.

3. Usage:

- Follow the reloading process as outlined in your reloading die manual.
- Monitor the Neck Bushing during use for any signs of wear or damage.
- If you notice any issues, stop using the product immediately and inspect it.

4. PostUse Care:

- Clean the Neck Bushing after use to remove any debris or residue.
- Store the bushing in a dry, safe place to prevent damage.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or broken.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Neck Bushing, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for more details.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Neck Bushing.
