

## Neck Bushing &#x2300;12,7-6,32/.2488

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

### Attributes

- Name: Neck Bushing &#x2300;12,7-6,32/.2488
- Manufacturer: TRIEBEL
- Product no.: EU2017612
- Mfr. No.: 3000240V-06.32
- Diameter mm: 12,7 / 6,32
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.32

# Neck Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the Neck Bushing. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the Neck Bushing.

## General Safety Guidelines

- Ensure that the Neck Bushing is used only for its intended purpose: precise neck sizing of ammunition.
- Always follow the manufacturer's recommendations regarding usage and maintenance.
- Keep the Neck Bushing out of reach of children and unauthorized users.
- Inspect the Neck Bushing for any signs of damage before each use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the Neck Bushing.

## Specific Safety Precautions for Use

- Only use the Neck Bushing with compatible reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the bushing is properly installed before starting the reloading process.
- Do not exceed the recommended dimensions and specifications when using the Neck Bushing.
- Avoid using excessive force when resizing to prevent damage to the bushing or reloading die.
- Work in a wellventilated area to avoid inhaling any dust or debris generated during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading die is clean and free of debris.
- Carefully insert the Neck Bushing into the reloading die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's instructions to secure the bushing in place.

### 2. Usage:

- Prepare your cases for resizing by cleaning and inspecting them.
- Adjust the reloading press to the appropriate settings for neck sizing.
- Insert the case into the reloading press and engage the resizing process slowly.
- Monitor the resizing process closely to ensure consistent results.

### 3. PostUse Care:

- After use, clean the Neck Bushing with a soft cloth to remove any residue.
- Store the Neck Bushing in a safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- If the bushing is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the Neck Bushing, please contact the manufacturer or visit their official website for additional resources.

Thank you for prioritizing safety while using the Neck Bushing. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
