

Neck Bushing ⌀12,7-6,55/.2579

Neck sizing bushing made from high-quality hardened steel, precision-ground internally and externally in a single setup on CNC machines – ensuring perfect concentricity and maximum dimensional accuracy. Designed for precise neck sizing. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Neck Bushing ⌀12,7-6,55/.2579
- Manufacturer: TRIEBEL
- Product no.: EU2017619
- Mfr. No.: 3000240V-06.55
- Diameter mm: 12,7 / 6,55
- Delivery weight: 0.02kg
- Shipping height: 25mm
- Shipping width: 60mm
- Shipping length: 50mm
- EAN/UPC: 3000240V-06.55

Neck Bushing Safety Instruction Guide

Introduction

Thank you for choosing the Neck Bushing. This product is designed for precise neck sizing and is made from highquality hardened steel. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the Neck Bushing is used in accordance with the manufacturer's recommendations.
- Always inspect the product before use for any signs of damage or wear.
- Keep the Neck Bushing out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential risks include injury from sharp edges and improper handling.
 - Ensure that the bushing is properly secured in the reloading die before use to avoid accidents.
- **Avoiding Hazards:**
 - Always use the bushing in a welllit and clean workspace.
 - Do not force the bushing into the die; if it does not fit easily, check for obstructions or misalignment.
 - Avoid using the bushing for purposes other than its intended use.
- **Age or AudienceSpecific Warnings:**
 - This product is not intended for use by children. Ensure that it is stored securely.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure all equipment is clean and free from debris.
 2. Carefully insert the Neck Bushing into the reloading die.
 3. Secure the bushing by tightening the die according to the manufacturer's specifications.
 4. Check that the bushing is properly aligned and does not wobble.
- **Usage:**
 1. Follow the reloading die instructions for neck sizing.
 2. Monitor the bushing during operation for any signs of wear or damage.
 3. If any issues arise during use, stop immediately and inspect the equipment.
- **PostUse Care:**
 - Clean the bushing after each use to remove any residue.
 - Store the bushing in a dry place away from moisture to prevent rust.

Disposal Instructions

- Dispose of the Neck Bushing in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the bushing is damaged beyond use, consider recycling options for metal components.

Contact Information for Further Support

For any questions or concerns regarding the Neck Bushing, please refer to the manufacturer's contact information provided with the product. Ensure that you have the product details ready for any inquiries.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Neck Bushing.
